**12.00 to 12.30** **Great entertainment for the whole family.** Live, Loud and Laughly! is how Acorn (*President - 'Smile-High Club'*) describes this show. A pilot's bag (*the 'Bag of Wonder'*), a tripod and tabletop (*the 'Table of Wonder'*) is all that is required by Acorn to create 30 minutes of zany interactive performance!

**12.30 to 1.30** **Grant Chilcott**  
Sounding like he's just stepped out of the elegant 30's with his smooth, swinging vocals. With a musical career stretching back a good 20 years, it's not hard to see that singing is something he was born to do. Bring along a picnic and let Grant Chilcott entertain you!

Leaving from the fountain in Jellicoe Park, this guided walk will highlight Onehunga's enduring heritage which continues to shape and characterise us today. The walk will wind it's way down to end at St. Peter's Church in Onehunga Mall stopping on the way at notable locations, including the Onehunga Community House.

### Walk 2 - 2.30pm to 3.30pm

Starting and finishing at the Onehunga Community Centre, 83 Church Street, this walk will focus on buildings in and around Onehunga Mall including the Legendary Hard to Find (but worth the effort) Quality Second Hand Bookshop from the 1890's.
