### SUBMISSION DETAILS

I wish to make a submission on the application of (name of applicant): Transpower NZ Ltd  
 to (proposal of applicant): Increase in capacity of the Henderson Otahuhu 220,000 volt transmission line  
 at (address): Where this line passes with in the ACC boundaries

- The particular parts of the application I  oppose (delete one) are: All of the Transpower application 3<sup>rd</sup> May 2007
- The reasons for my submission are: Increase in adverse effects, affect on public health, potential hazards to habitable buildings & their occupiers, increase in magnetic fields will be created by the the proposed activity, no mitigation measures can be introduced to reduce the adverse effects. Transpowers application is misleading in what they are seeking, the application is not in accordance with Auckland Regional Councils air land & water plan or section 5 of the RMA. Auckland City Council should review their 4<sup>th</sup> of August 2006 letter to Transpower and use the letter for making a submission in opposition to the Transpower application.
- The decision I wish the Council to make is (include any conditions of a general nature): \_\_\_\_\_  
The application by Transpower be declined

(continue on a separate sheet if necessary)

I wish to be heard in support of my submission Yes  No

I have attached additional information Yes  No
